

FRONTLINE[®] COMPOSITE DOOR FRAME

INNOVATIVE, NEW ALTERNATIVE TO TRADITIONAL
WOOD DOOR JAMBS

FrontLine[®]
Bldg. Products Inc.
Member of the Bay Family of Companies

FrontLine's Composite frame is a unique formulation that combines the strength and stability of wood without the rotting, warping and splitting. The FrontLine® Composite Frame is resistant to mold, mildew, fungus, salt, chemicals, insects, and pollutants, leaving your entryway frame maintenance-free! The FrontLine® Composite Frame has the same shape designs, use, and functionality as wood, and can be similarly painted, stained, nailed, and machined.

Co-Extruded LVL Mull Post with Composite Bottom

Brickmould

Mull Cap

Sidelight Stop

White Cap Jamb

Woodgrain Jamb

Primed Flat Jamb
